Commissioner for Patents
P. O. Box 1450
Alexandria, Virginia 22313-1450

Sir:

Applicant replies to the restriction requirement mailed June 17, 2003 by enclosing a copy of a Confirmation of Oral Restriction Requirement and Election filed January 31, 2003 in this case electing article claims 1 to 15 for examination with traverse.

The paper mailed June 17, 2003 was unnecessary and applicant does not understand why, with the recent changes in patent law determining patent term from the date of filing, additional delays are built into the examination process.
